ABOUT ME

I am a detail-oriented IT professional with extensive experience in CakePHP, HTML, CSS, and JavaScript. With a strong background in web development, I excel at designing, developing, and maintaining complex systems. My passion for technology drives me to continuously improve my skills and stay updated with industry trends. I thrive in collaborative environments and am adept at solving problems efficiently and delivering high-quality solutions.

WORK EXPERIENCE

Team Member

Coles Parkmore.

2021 - Present

Assisted 50+ customers daily, ensuring satisfaction. Managed inventory and stocked shelves. Maintained appealing product displays for enhanced customer engagement. Trained, monitored, and promoted young employee productivity.
